In lieu of gifts, you are welcome to donate on Father Frank and Father Casey’s behalf to St. Peter Claver.

If you would like to donate there are a few options:

1. By check: the address for the school is: **St. Peter Claver Catholic School 133 Ward Street, Macon, GA 31204**

2. They can accept donations online through their website giving page (via PayPal). The link to their giving page is: [SPCCS Giving](https://spccsgiving.org/) and the direct link to the paypal portal is: [SPCCS Donation Portal (via PayPal)](https://www.paypal.com) If donating via the web, please ask them to add a note to confirm it is in memory of Brenda (just so we can keep track) and to make sure they tick the box that shares their address with us so we can send them an acknowledgement/thank you.

3. Another way for anyone (or any business) with a Georgia State Income Tax liability to donate to the school, AT NO COST TO THEM, is to sign up as a GRACE Scholars donor. This program allows a donor to redirect a portion of their Georgia state taxes to SPCCS (via an entity called Grace Scholars, Inc) to be used as scholarships for low income students.

   The simple way to explain it is; the donor can either send their state income taxes to Atlanta, or they can send them to SPCCS (via Grace Scholars, Inc). This is a reassignment of a persons' tax payment to a local mission with a proven track record of success. The person sends a check to Grace Scholars and then gets a dollar-for-dollar credit for that amount against whatever they own for their 2020 taxes.

   This is the lowest cost way for someone (who has Georgia income taxes) to contribute to the schools mission. The cap for the 2020 program has not yet been reached so there is still time for people to sign up to become one of our GRACE Angels. They do not have to be Catholic, a part of the school or anything; it is open to everyone.

   Here is what people can contribute under this program (annually), just so you can see how valuable it is to us:
   - An individual, head of household, can contribute up to $1,000 of their state taxes;
   - Joint filers can contribute up to $2,500 of their state taxes;
   - LLCs/LLPs/partnerships; up to $10,000 of their state taxes;
   - S-Corps or other corporations, up to 75% of their estimated Georgia State income tax liability.

   Anyone interested can find out more at [https://gracescholars.org/](https://gracescholars.org/) or they can contact me to walk them through how it works.
